

NEUFCHÂTEL - HARDELOT BEACH

A CHARMING DESTINATION

Amongst the land, sea and forest

SALTY PLEASURES

Established during the golden age of sea swimming, Hardelot is the perfect combination of nature and salty pleasures. The 10-km beach itself is worth the detour. All generations come together here in a wonderful mindset. Some enjoy walking along the seawall, while others will make the most of family time at the beach building sandcastles. Those who enjoy sport can challenge the wind in a sand yacht, while those who like fishing, whether beginners or experts, can hunt down shrimps... Typical of the large beaches of the north, Hardelot provides space and peace and quiet. Everyone can enjoy this enchanting universe how they see fit.

AN EXCEPTIONAL ENVIRONMENT

Amongst the gems of the Opal Coast, Hardelot has always occupied a special place in the area. The forest's wild nature is remarkable and is a paradise for walkers and horse riders. Delighted by the footpaths lined with wild flowers, moved before the elegance of the seaside villas, and amazed before the beauty of the greens of the two stunning golf courses nestled in the mountains. Time stops in this wild setting which suddenly opens up onto the sea... To the north of the resort, in a totally unique atmosphere, the vast dune forest of Ecault also promises its share of surprises amongst the dunes and incredible panoramic views...

PASSION FOR SPORTS

In the water, on a green, on a cycle path, on a footpath, in the forest and even in the air... In Hardelot, sports come naturally to us. A paradise for sportspeople, the resort has an impressive range of activities on offer, regardless of your age or level of experience! Famous for its equestrian centre and its two 18-hole golf courses, Hardelot also stands out thanks to its impressive choice of water sports: sand yachting, kitesurfing, catamaran, kayaking, etc. There is something for everyone all year round.

IN THE FAMILY SPIRIT

The ultimate family-oriented resort, Hardelot has been committed to welcoming families for several years. Shopkeepers and sports clubs alike, everyone is onboard! With its "Famille Plus" label, the resort offers varied and adapted activities for children and adults all year round, and specifically during the school holidays. An unmissable event during the Autumn holidays: Festi'Mômes, a festival totally dedicated to children with shows, strolls, workshops and a magical extravaganza! More than just a programme of events, accommodating families is a genuine mind set.

THE GOOD LIFE

It feels good to be in Hardelot! The inhabitants, shopkeepers and hosts come together to satisfy the holidaymakers in a warm and friendly environment. Dynamic and welcoming, the resort cultivates the art of simple pleasures. Free outdoor concerts on the Place de la Concorde, local artisanal market on Sunday mornings during peak season, nature outings with the family, big dinners on the seawall... There is a unique atmosphere in Hardelot, which is both lively and gentle...
